ADJUDGED INSANE.

Will Smith, colored, was arrested on an electric car yett day afternoon by Chief Goods for disorderly conduct toward a lady passenger, was brought before Judge Thompson at the station house this morning. After an examination of the witness, he was adjudged insane and will be sent to an asylum.

Smith was violent when brought before the commission, and gave every evidence of aberration of mind. He said he attempted to kiss the young woman on the train yesterday, and it was not his fault that he did not succeed. He said he was carrying out a command of the Lord, and would do anything he ordered. Smith defied the commission and all present and used the most unconvictional language. He resisted the officers when they brought him from a cell and he had to be picked up bodily when he was returned to his quarters.

THE TWENTY-SECOND OF FEBRUARY.

The day broke rainy, and conditions were dismal. Later, however, the sun shone brightly and the remainder of the day was bright and mild.

The day has been observed as a partial holiday, but there has been but little of the animation which has been apparent on former celebrations of the anniversary of the birth of Washington in Alexandria. Some flags have been displayed from stores and residences, but no vessels in the docks were displaying the national colors. The city offices and the schools were closed, the schools gave holiday and in the afternoon some of the stores were closed. The Masonic festivity of the day monopolized most of the interest in the day.

At noon the bells of the city rang out, previous to which the bell in the City Hall steeple was tolled in respect to the memory of Washington.

PLACED WREATH ON TOMB.

The executive committee of the George Washington Birthday Association at the meeting of that association last night was directed to proceed to Mount Vernon this morning and place a wreath upon the tomb of Washington. The committee left the corner of King and Washington streets on the palace car "Mt. Vernon," which had been tendered by Mr. Percy Olcott, superintendent of the road, and upon their arrival at Mount Vernon fulfilled their mission. On account of the weather, but few persons apart from the committee witnessed the ceremony. The committee returned about noon. The executive committee embraces about twenty of the representative business men of the city. They were accompanied by Mayor Pitt and Messrs. R. S. Jones, A. D. Brockett, J. T. Johnson, W. A. Smoot, Jr., George Appich and Wm. H. Luckett.

THE BASKETBALL PENNANT?

The game of basketball has been quite a favorite sport in Alexandria since the organization of "The Alexandria Basketball League" and the games have been attended by many ladies and gentlemen during the series who have tried to cheer their favorite team and urge them on to victory, but it seems now, that after the teams have been fighting hard and earnestly for the "Pennant," that the winners will receive nothing but the title of "Champion." It is well to encourage this most interesting and scientific sport, and it is hoped that the business men and others in this city will come to the rescue of these athletic young men and secure for them a suitable pennant or some other prize that may be a credit to the city of Alexandria.

OPERA HOUSE.

The Acme Comedy Company, which opened its engagement here last night, scored a decided hit. The programme was composed of three separate one-act farce comedies, but for laughing purposes, only and to say that they were hearty endorsers by the large audience present, is putting it mildly. This company will doubtless do a record breaking business during their stay here. A complete change of programme is announced for Wednesday and Friday night, with a matinee Saturday afternoon.

HOME-MADE AUTOMOBILE.

The first automobile manufactured in the state of Virginia has been turned out by the Emerson Engine Company at their works on the southeast corner of Prince and Fairfax streets. This company is specializing gasoline engines of all sizes. The United States, all aggregating \$30,000 having recently been filled.

The condition of Clarence Mills, who was cut by John Dugan last Saturday night, is improving.

Standard Army Shoes for men. The most comfortable and durable shoe made can be had at J. A. Marshall & Bros., 412 King street.

MASONIC DAY.

Grand Masters Recommend the Erection of a Marble Temple in Alexandria as a Memorial to George Washington—Pilgrimage to Mount Vernon—All Ready for Tonight's Banquet.

This was Masonic Day in Alexandria, and many members of the craft besides the grand masters which met and lauded the movement towards the erection of a memorial temple in this city, were visitors, some of whom were accompanied by ladies. They have moved from point to point during the day inspecting historic landmarks—Christ Church, the Braddock House, Alexandria-Washington lodge room, Marshall House, City Hotel, etc.

While there has been no general decoration of buildings, many flags have been displayed as well as other evidences of the anniversary celebrated in Alexandria for so many years.

The younger generation seemed to be at a loss, as with them the 22d of February minus a parade is Hamlet without Hamlet. All the school children, however, had holidays, and many business houses and workshops were closed.

There were many other visitors in this city besides Masons and the members of their families.

The main features of the day were the meeting of grand masters in Alexandria-Washington lodge room for the purpose of endorsing the plan for a memorial temple in this city, the pilgrimage to Mount Vernon in the afternoon when a wreath was placed upon the tomb of the father of the country, and the royal banquet at the Armory Hall tonight.

This afternoon a meeting of Alexandria-Washington Lodge was held at which the third degree was conferred upon a candidate by a team of Chicago Masons.

Large numbers of Masons gathered at Alexandria-Washington Lodge rooms this morning and engaged in friendly greetings.

An informal meeting was held this morning in the lodge room. W. B. McCleary, grand master of Virginia, presided. Rev. C. D. Bulla offered prayer. Robert S. Barrett was elected secretary. Judge J. K. M. Norton stated the object of the meeting and moved that a committee of ten be appointed to formulate a plan for the erection of a Memorial Temple to Washington. The committee was appointed as follows:

T. J. Shryock, Maryland; D. D. Darrah, Illinois; Henry Banks, Georgia; H. H. Ross, Vermont; Thos. J. Day, Delaware; J. H. Cowles, Kentucky; J. P. Johnson, South Carolina; W. H. Nichols, Texas; J. K. M. Norton, Virginia; J. D. Richardson, Tennessee.

On motion grand-master McCleary and Worshipful-master Callahan were added.

The following states were represented: Alabama—H. Lee, grand master; California—Oscar Lawler, past grand master; Connecticut—F. A. Verplank, grand master; Delaware—Thomas J. Day, grand master; District of Columbia—George C. Ober, grand master; Georgia—Henry Banks, grand master; Illinois—D. D. Darrah, deputy grand master; Kentucky—J. H. Cowles, grand master; Maryland—T. J. Shryock, grand master; New Hampshire—Senator H. E. Burnham, representing grand master; New Jersey—P. W. Sawyer, grand master; North Dakota—L. B. Hanna; South Carolina—J. P. Johnson, grand master; Tennessee—J. D. Richardson, past grand master; Texas—W. H. Nichols, past grand master; Virginia—W. B. McCleary, grand master; Vermont—H. H. Ross, grand master; West Virginia—F. M. Clark, grand master.

Latter were received expressing sympathy and support from Florida, Indiana, Iowa, Maine, Michigan and New York.

While the committees were out, Hon. Wm. H. Mann, Governor of Virginia, delivered an address of welcome. Other addresses were made by F. W. Clarke, of West Virginia; L. H. Lee, of Alabama; F. A. Verplank, of Connecticut; Oscar Lawler, California; P. W. Sawyer, New Jersey; J. B. Blanks, of Virginia; Geo. C. Ober, District of Columbia; Ora E. Chapin, of Illinois; Secretary of War Dickinson.

The committee then returned to the lodge room and immediately reported through J. D. Richardson, of Tennessee; head of the Scottish Rite Masons of the United States, who said that after due consideration the committee submitted the report, which was read by Judge Norton, of this city, and which is as follows:

Whereas, Alexandria, Virginia, was the home town of George Washington, he being a member of its council; a verity in Christ Church, and first master of Alexandria Lodge, No. 22, Alexandria's citizens first celebrating his birthday; its soldiers, physicians, ministers, and Masons administering to him in life and in death, the Alexandria-Washington Lodge possessing as priceless heirlooms many of the personal effects and Masonic treasures of this man whom heaven left children that a nation might call him father, and

Whereas, these sacred treasures should be presented as a legacy for succeeding generations of Masons, and

Whereas it has been aptly said that "until time shall be no more, will a test of the progress which our race has made in wisdom and virtue, be derived from the veneration paid to the immortal name of Washington."

Therefore, be it resolved, first—That we approve and endorse the proposed erection of a Masonic Temple, as a memorial to George Washington, under the auspices of Alexandria-Washington Lodge, No. 22, A. F. & A. M., of Alexandria, Virginia.

1st.—Name.—The name of this association shall be "The Washington Memorial Association."

2nd.—Object.—The object of this association shall be to assist in the erection of a suitable Masonic Memorial to George Washington in the form of a Temple in the city of Alexandria, Virginia, provided that at least one virgin be set apart, forever, as a Memorial Hall to be under the control of this association for the use and benefit of the several grand jurisdictions in the United States of America.

3rd.—Membership.—The active members of this association shall be composed of the grand masters of the several grand jurisdictions of the United States of America, who shall identify themselves herewith and one properly accredited representative from each grand jurisdiction chosen in such manner and for such term as it may prescribe. There may be also honorary members,

under such conditions as may be prescribed by the Masonic Memorial Association.

Resolved 2nd.—That we do now organize the Washington Masonic Memorial Association according to the following plan.

Resolved 3rd.—That all funds raised for this memorial be turned over to the treasurer of the Masonic Memorial Committee of the Alexandria-Washington Lodge, No. 22, A. F. & A. M., of Alexandria.

Resolved 4th.—That we pledge our earnest support to this commendable undertaking, and that all grand masters are earnestly requested to call the same to the attention of the lodges within their several jurisdictions, and urge upon them their hearty co-operation and assistance.

Done in the city of Alexandria, Virginia on the 22nd day of February, A. D. 1910.

After the report had been received the representatives of the grand jurisdictions spoke in hearty commendation of the project and pledged their earnest support in carrying it to a successful end. These representatives then signed their names in approval of the report.

It was then decided to hold the annual meetings of the association in Alexandria on the 22nd of each February.

The meeting then adjourned and the visitors escorted by the Alexandria Masons proceeded to the Hotel Rammel where an elaborate luncheon was served. The hall was appropriately decorated and the tables were spread with everything to tempt the appetite.

After luncheon a large delegation of Masons boarded a special train for Mount Vernon where they deposited a magnificent wreath upon the tomb of Washington.

After the return from Mt. Vernon the Masons again repaired to the lodge room where under special dispensation from the grand master of Masons in Virginia, a team from Illinois presided and conferred the degree of Master Mason upon a candidate, Mr. Lawrence Washington, a great-grandson of Washington.

The last and best child born to Mount Vernon, he being a son of the late John Augustine Washington.

This team comprises four distinct duty grand masters and seven grand lecturers of the Grand Lodge of Illinois, with their brethren a company of seventy in all drawn from various points in the Illinois. They were selected upon the invitation of Ora E. Chapin, founder and first master of Damascus Lodge, No. 885, and grand lecturer of the Grand Lodge of Illinois, as a result of a trip as tourists which Mr. Chapin took in the summer of 1898 when the idea originated which ripened into a correspondence between himself and the then senior warden of Alexandria-Washington Lodge, now its worshipful master.

This team will be comprised of grand lecturers and district grand masters of the Grand Lodge of Illinois, and is in no sense sent to confer this degree by the Grand Lodge, of Illinois.

The following comprise the team: Ora E. Chapin, president; J. B. Bosch, senior warden; A. O. Novander, junior warden; A. G. Goodridge, chaplain; H. M. Palmer, treasurer; M. T. Booth, secretary; Wm. H. Bied, senior deacon; Samuel M. Fitz, junior deacon; H. T. McLean, senior steward; Omar E. Gibson, junior steward; R. W. Gessbrook, Wm. N. Benedict, Wm. J. Melling, F. W. Froelich, Jason R. Lewis, C. L. Sanduik, Omar S. LaFollette.

The Illinois team presented to Alexandria-Washington Lodge a solid silver trowel with ebony handle. On the front of the trowel "Presented to Alexandria-Washington Lodge A. F. & A. M., Washington's Birthday, Anno Lunus 5910." On the back the names of the brethren presenting it with their Masonic titles.

Brother Lewis of this team is the owner and publisher of the "Masonic Chronicle," of Chicago.

Tonight the annual banquet given by Alexandria-Washington Lodge will be held at Armory Hall, and a large number of Masons from throughout the country will be present. The hall has been handsomely decorated. Among the speakers of the occasion will be Hon. Secretary of War Mr. Dickinson, Hon. Champ Clark, Hon. Wm. H. Mann, governor of Virginia; Hon. Jas. D. Richardson, Hon. O. Darlin, and Rev. John Wesley Hill, D. D., of New York.

NOTES.

Gov. Mann arrived here this morning from Richmond and was met at the station by Rev. C. D. Bulla and Mr. P. T. Harrington, who escorted him in a carriage to the lodge room where he was warmly greeted. Secretary of War Dickinson and Mr. J. D. Richardson, head of the Scottish Rite Masons in the United States, and many other prominent men were also present.

Alexandria-Washington Lodge rooms were kept open late last night and many visiting Masons were present. Today delegations of Alexandria Masons met all the trains and escorted to the lodge room the visiting brethren.

A flight light picture of the lodge room and those in attendance was taken immediately after the adjournment of the meeting this morning.

The interior of Armory Hall never before appeared to greater advantage. The walls and ceiling were completely covered by flags and in the centre of the hall the principal emblems of Masonry, brilliantly illuminated by electricity, were suspended. Over the entrance was a portrait of Washington. The great American, while absent in body, may be present in spirit to night. Seven tables have been prepared—six running east and west and one in the east extending north and south. Ferns and evergreens are in profusion. The caterers are exercising their taste in arranging the tables and the menu will be most inviting. Through the courtesy of the Elks' Lodge the use of their lodge room has been extended to the Masons as a cloak room. All Alexandrians are asked to use this room as the cloak room facilities in the Armory Hall, which are inadequate, will be devoted to the invited guests.

The beautiful wreath sent to Mount Vernon today by Alexandria-Washington Lodge of Masons to be placed on the tomb of Washington was made by Mr. D. G. Grillbortzer from flowers grown in his greenhouse in this city.

Carrsville, Ky.—"My doctor," writes Mrs. Hattie Cain, "who advised me to take Cardui, for my troubles, is a mighty fine doctor, and I say God bless Cardui and the people who make it."

"Before I took Cardui, I suffered with female troubles for sixteen years. I would have to send for a doctor every three months, and oh! how dreadfully I suffered!"

"I would cramp and have convulsions and it looked like I would die. At last I took Cardui and oh! what a surprise! I found it was the medicine for me!"

"From the first bottle, I began to mend and now I am well, can do more work, can walk and go where I please and it don't hurt me, and I owe it all to Cardui."

Cardui helps sick women back to health. It has been doing this for over 50 years. It is not a laxative, or a heart or kidney medicine—it is a woman's medicine.
